

VOLUNTEER APPLICATION

At **Community Futures Cowichan**, we have supported economic development in the Cowichan Region since 1987. We help businesses start and expand and we get involved in economic and community development projects. As a not-for-profit corporation, our strength comes from our volunteer Board and Committees.

If you have a background or interest in small business development, finance, economic and social development or if you care about helping create a bright economic future for our community, then we are looking for someone like you!
